To The Secretary to the Government of Madras,

Law(Education) Department.

Sir,

In submitting herewith copies of letters R.O.C. No. 3305 Sub of 26 dated 2- 4- 1927 and 14- 4- 27 from the President, Taluk Board, Uppinangady, I have the honour to state as follows:-

2. The President, Taluk Board, Uppinangady, transmitted his proposals in August 1926 for the construction of school buildings and repairs to the existing buildings, the cost of which was estimated at Rs.49,600. It was also reported that plans and estimates for the construction of school buildings at Sullia and Kokkada and for the extension of the school building at Beltangady have been prepared and the works have begun - Government have not promised the payment of any subsidy

subsidy towards these schools. As the Board now applies for a provincial grant, the construction of these buildings should not have begun without the previous sanction of Government. The President, Taluk Board was informed accordingly of this irregularity. He was further requested to spread the scheme over a few years according to urgency as the capital expenditure involved is very large and transmit a revised list.

3. In accordance with this suggestion, the President, Taluk Board in his letter R.C.No.3305 Sub/26 dated 2 - 4- 1927 (copy enclosed) requests the payment of a half grant towards the construction of school buildings at Kokkada, Yenmur, and the Girls school building at Sullia and for the extension of a girls' school building at Vittal and the Higher Elementary schools at Sullia and Vittal. The total estimated cost of the works is Rs.7750. The plans and estimates have been prepared by the District Board Engineer, South Kanara. The Taluk Board is willing to bear one half of the cost from its own funds.

4. The President, Taluk Board has further pointed out in his letter R.C.C.3305 Sub/26 dated 14-4-27 (copy enclosed) that the work of the Girls' school at Sullia alone could not be stopped and that the works at Kokkada and Beltangady were stopped. In the circumstances explained by the President the irregularity may be condoned as a special case. The President's request for a half grant of Rs.3875/- is supported and this may be treated as a Part II scheme for next year.

I have the honour to be,

Buildings Elementary schools- Half grant. Your letter R.C.No.315 B/27 dated 10- 2- 27.

In compliance with your request contained in para 3 of your letter referred to above I have the honour to forward herewith a copy of the resolution of the Taluk Board expressing its willingness to bear one half of the cost of the school buildings referred to therein.

2. As regards para 2 a statement containing the information called for is appended hereto.

3. The six buildings referred to in the Taluk Board resolution are most important and urgent and they will be taken in hand as soon as the half grant is sanctioned by Government.

4. The plans and estimates of (1) constructing a school house at Kokkada and (2) constructing a school house for girls at Sullia are already sent with my last letter. These of the other buildings are herewith sent.

5. -As regards the girls' school building at Sullia the matter is of such urgent nature that I have been obliged to put the work in hand so as to complete it before the ensuing monsoon. This action of mine, I request may be approved as a special case and half grant allowed.

6. I have the honour to request that early arrangements may be made for getting the half grants in respect of these buildings.
